

Associated Press Unlike the media storm surrounding The Dark Knight, everyone truly believes the actors and Christopher Nolan this time when they say that this will indeed be the last Batman film that features the current talent ensemble. Here's a mashup of interviews and trailer footage the Associated Press have cobble together to begin what will likely be many such tributes as this remarkable trilogy says farewell. Sound off below in the usual spot with your own thoughts and opinions. Not to put the cart before the horse (after all, we still have to get TDKR released) but I'm wondering just where the franchise will go after the third and final movie from Nolan and co. The Dark Knight Rises is an upcoming epic superhero film directed by Christopher Nolan and written by Nolan and his brother Jonathan. Based on the DC Comics character Batman, the film will be the third installment
