

Unfortunately, the videos below don't seem to cover the entirety of Christian Bale's speech (hopefully MTV will release it at some point this week) but the second one in particular shows just how emotional the actor became after seeing scenes of Heath Ledger's Joker played during the awards ceremony last night. "Wow, great to remember Heath at that moment. Wonderful to see Heath Ledger there," he said. The Dark Knight Rises footage shown following the introduction by Bale and co-stars Gary Oldman and Joseph Gordon-Levitt has also yet to be released officially online. Be sure to sound off with your thoughts in the usual place. Get More: 2012 Movie Awards, New Movies Warner Bros. Pictures' and Legendary Pictures' "The Dark Knight Rises" is the epic conclusion to filmmaker Christopher Nolan's Batman trilogy.
