Here is the video and excerpt courtesy of E! Online. I guess we should probably stop hoping for a Batman/Superman team-up anytime soon! To be fair though, you can't blame Bale for perhaps not knowing who Cavill is when he was caught off guard in this way! Be sure to share your thoughts in the usual place. So, Batman to Superman, what is Bale's reaction to Henry Cavill's casting in the Christopher Nolan-produced Man of Steel movie? None. He stares kinda blankly at a reporter for a beat or two, clearly having never, ever heard of Cavill. Finally, he summons a blurb you can be assured will not appear on a DVD box anytime soon, "Well done for whoever you mentioned." The Dark Knight Rises is set to be released on July 20, 2012 with Superman: The Man of Steel following soon after sometime in the Winter.
