

Talking to Hero Complex, Christopher Nolan has spoken in great depth about his favourite scene in The Dark Knight - the atmospheric and brutal showdown between Batman and The Joker in the GCPD interrogation room. Below are just a few select excerpts from Nolan's fascinating chat with Geoff Boucher, but to read the interview in full (where the director comments on how the scene was shot, the motivations of the hero and villain as well as the importance of Commissioner Gordon and much more) be sure to click on the link below. "To be honest, it's pretty easy for me. The scene that is so important and so central to me is the interrogation scene between Batman and the Joker in the film. When we were writing the script, that was always one of the central set pieces that we wanted to crack." "On the set, we shot it fairly early on. It
