

Will Batman die at the end of The Dark Knight Rises? That's the question on everybody's mind when it comes to the final installment in Christopher Nolan's trilogy. It might seem silly to even suggest such a thing, especially considering the fact that though this may be Nolan's last Bat-flick, Warner Bros. will most definitely not be done with the character. But this is Nolan we are talking about, and if this movie is to be the finale of his bleak vision of The Dark Knight, many feel that he will give us a bittersweet ending - perhaps involving Joseph Gordon Levitt's mysterious John Blake and a "passing of the torch"? Anyway, it's all just speculation at this point, and one thing is for sure, we won't get a thing from Nolan. However, while speaking to Total Film Magazine the director does make it clear that TDKR will be the
