

Along with brand new official Images for The Dark Knight Rises Empire Magazine also scored brief interviews with director Chris Nolan, and costume designer Lindy Hemming! Check it out below. Christopher Nolan Talks About The Prologue & More! "Our story picks up EIGHT years after The Dark Knight". "The Prologue is basically the first six, seven minutes of the film. Its the introduction to Bane and a taste of the rest of the film. With Bane we are looking to give Batman a physical challenge that he hasn't had before" Lindy Hemming Gives Details On Bane's Mask THE BREATHING MECHANISM: "He was injured early in his story. Hes suffering from pain and he needs gas to survive. He cannot survive the pain without the mask. The pipes from the mask go back along his jawline and feed into the thing at the back where there are two cannisters of what ever it is..the anesthetic" Every
