

Talking to Geoff Boucher over at Hero Complex, director Christopher Nolan has taken part in one of his most revealing interviews yet in regards to The Dark Knight Rises. Below are just some of the most interesting highlights, including the reason behind the eight year gap between the events of The Dark Knight and the upcoming third instalment of the critically acclaimed franchise. Read on for more and be sure to sound off with your thoughts in the usual place. On How He Feels About Batman's Intense Fan Base: "It's terrific, to have people that interested in something. It reminds you that it is a real honor to work on something that means so much to people. I'd love to be able to claim that I invented the whole thing and that's why they're interested. I did not. I've been given a very precious thing to do my best with, to look
