

Presentation opened up with a clip from The Avengers. The scene began with Thor confronting Loki and pleading with him to come back to Asgard. They are interrupted by Iron Man and a one-on-one bout begins between the two heroes and ends with Captain America's intervention. Afterwards, Kevin Feige delivered some updates on Marvel's future projects. Nothing completely new is revealed here. Discusses Thor 2, Captain America 2, and shows a featurette on Iron Man 3. Details on Iron Man 3 can be seen. Disney and Pixar discussed and revealed footage from various projects such as Frankenweenie, Wreck It Ralph, Monsters University, The Odd Life of Timothy Green, Oz the Great and Powerful, etc. Tim Burton came out to present a new clip from his stop-motion remake of Frankenweenie. The clip featured Victor and his classmates meeting a new science teacher. The clip really gives you a feel of the characters in the film
