

"Ricochet Rabbit" Dexter races to identify the Doomsday Killers' next victim. Meanwhile, Debra's surprising reaction to a crime scene leads her to wonder if she depends too much on her brother. Dexter is an American television drama series that centers on Dexter Morgan (Michael C. Hall), a bloodstain pattern analyst for the Miami Metro Police Department who moonlights as a serial killer. Dexter structures his killing around "the Code of Harry", a body of ethics and procedures devised by his adoptive father Harry Morgan (who was a Miami cop) to make sure Dexter never gets caught and to ensure that Dexter kills only other killers. Harry also trained Dexter in how to interact convincingly with other people despite his dissociative mental illness, which Harry believed to be sociopathy, arising from Dexter witnessing the brutal murder of his biological mother, Laura Moser. As an adult, Dexter has
