

The good folks from Collider recently scored an interview with the co-director of next year's Ghost Rider: Spirit Of Vengeance, Brian Taylor. Revealingly discussing the film from the editing room, Taylor dishes on deleted scenes, 3D, filming in Europe, what to expect from the stars and the DVD/Blu-ray release, as well the sequel's run-time, check out the video interview below.

I've been looking forward this sequel details from the plot were revealed, but if you aren't convinced, check out the badass trailer [HERE](#). As the tagline suggests, Ghost Rider' will be f#cking your sh#t up in 2012! What do you think? Ghost Rider: Spirit Of Vengeance picks up where it's been several years since making a deal with the Devil and Johnny Blaze, living in self-imposed isolation, finds himself as the only person who can help save 10-year-old Danny - and ultimately the world - thanks to his
