

Bobbles, B-Ball and Boxers...These are all new items here at SuperHeroStuff.Com that DO have something in common, Superheroes! Huh? Yes, it's true. We have Marvel and Star Wars (not superheroes, but still super) basketball jerseys. These are 100% Polyester, meshed, sleeveless, basketball jerseys with screen-printed logos and "team" names that are just too cool to pass up: I'm not sure bobbleheads and boxers should go hand in hand, but these are too much fun to pass up. The time to Assemble is near so this is just a sampling from the SuperHeroStuff collection that could be yours. Of course, our selection of collectibles go well beyond Avengers: Our boxers are 100% cotton, screen printed on both the front and back, and styled in a vintage cut. These are a BIG step up from those old plaid or, the heavens forbid, those plain white kind.
