

Earlier today, Marvel held its latest "Next Big Thing" press conference and below are just some of the highlights from the revealing chat with Chris Yost, Ryan Stegman and Stephen Wacker. The liveblog itself can be replayed by clicking [HERE](#). Kaine returned during the "Grim Hunt" storyline and was subsequently killed and resurrected. He was mutated by the Jackal during the events of "Spider-Island" before being cured by Peter Parker and eventually going on the run after defeating the Spider-Queen in the battle for New York City. Scarlet Spider #1 picks up the next chapter in Kaine's life. -Kaine will be on a journey of self discovery, coming to terms with the fact that he's spent his entire life dying and is now cured. Editor Stephen Wacker said that while the knowledge of his impending death was originally freeing, "now that he knows, oh shit, I might have to stick around for
