Part of what makes CBM so darn fun is the incredible amount of user interaction we allow our readers. But it's no secret that this amount of user access to our site means that we can get a lot of CRAP too! And tons of faker scoopers. So, we need YOUR help to make sure that the good stuff floats to the top--especially in our "scoops" section. VOTING is how you can help us sift through the "so-so" junk and highlight the outstanding stuff so that everybody can find it in our "Most Popular" section up top. If you haven't noticed our article voting system before, I'll call you attention to it now. Our ranking system appears at the bottom of each article. It is VERY important that you use it, especially to "confirm" or "debunk" user submitted scoops. As always, check out the contributor's style guide [HERE](#). Our step-by-steps [HERE](#). And check out
