

Hey friends, today is a special, non-comic book review, I recently bought Avengers Earths Mightiest Heroes volume 1 and volume 2. Being a huge fan of Marvel and the Avengers team, this to me is series I was dying to get a view of. Sadly my Comcast on Demand sucks because so many episodes that are out, the last I remember was episode 459 involving Captain Marvel, and nothing new since then. So I decided to say SCREW IT and actually pick it up on DVD. I got bought in one swoop, what are my thoughts....let's find out shall we. Since this is a special type of review, I'm going to review it in a different format, seeing how my comic reviews are based on art and story. Here I'm reviewing the whole shebang. With that, lets begin
AVENGERS: EARTHS MIGHTIEST HEROES VOLUME 1 Volume one collects episodes 1-7, episodes 1-5 are the
