

Batman: The Dark Knight #1 by Paul Jenkins and David Finch arrives today and deals with Batman attempting to cull a riot and break out at Arkham Asylum. Unfortunately one of Bats' long time foes seems to have undergone a bit of a change which might not bode so well for the Caped Crusader. Bleeding Cool have provided the following image. Once again, SPOILER Warning.. So Two-Face has "Hulked out" and now wants to be called One-Face. That is pretty damn silly I'm sure you will agree. Of course we have no way of knowing if this change is going to be a long running thing or just a brief "Jekyll and Hyde" type transformation. Be sure to pick up the issue to find out. Oh yes, I should address the "Batty Boy" thing too, Teabag will anyway! Not sure if you are aware but that is a derogatory term used to describe homosexual
