

While the introduction of Agent Coulson and a Nick Fury who resembles the big screen Samuel L. Jackson version felt extremely forced, fans of the Marvel Cinematic Universe will surely be overjoyed that they now have a role in the regular Marvel comic book universe. Well, while they haven't done an awful lot since their debut in Battle Scars, "Marvel NOW!" will seemingly give them a far more prominent role in things. If the following Point One teaser is anything to go by, that may include their own series from the creative team of writer Nick Spencer (Ultimate Comics X-Men) and Luke Ross (Captain America). **MARVEL NOW! POINT ONE #1** Written by BRIAN MICHAEL BENDIS, MATT FRACTION, JEPH LOEB, NICK SPENCER, KIERON GILLEN & DENNIS HOPELESS Art by STEVE MCNIVEN, MICHAEL ALLRED, ED MCGUINNESS, LUKE ROSS, JAMIE MCKELVIE & GABRIEL HERNANDEZ WALTA
