

Talking to Comic Book Resources recently, Marvel's Editor-in-Chief was quizzed by the site about Marvel's BIG plans for 2012 and which characters fans should be keeping an eye on now that "Fear Itself" is coming to an end. Details are still pretty sketchy, but it sounds like the company have something very special planned, and you can read more of Alonso's teasers by clicking the link below to head on over to the site. "Shattered Heroes" is both an epilogue to "Fear Itself" and a prelude to where the Marvel Universe is headed in 2012. Ditto for the new X-Men books, "Uncanny X-Men" #1 and "Wolverine And The X-Men" #1. Both are epilogs to "Schism" that introduce a profound new status quo to the X-Men Universe and a prelude to where it's headed in the future. I've long wanted to see the X-Men more integrated into the Marvel Universe, to see them
