

Fans have never been overly fond of Beast's feline look, and even some artists have drawn Hank McCoy in such a way that he has an appearance far closer to that of the pre-New X-Men version. Well, the following script excerpt and preview from Brian Michael Bendis and Stuart Immonen's All-New X-Men #1 (which comes directly from Marvel.com) seem to indicate that the iconic character is set to undergo yet another mutation! Check it out below and be sure to sound off with your thoughts in the usual place. Click on the image below to view the full-size version.
