

It's the Spider-Man event of the year, and with so many twists and turns – there's no telling what will happen next! But there's one thing we can tell you, fans can get excited for the return of someone very important to the life of Peter Parker. Except where will he show up? With Spider-Island selling out across the board, it's obvious that fans can't get enough of the Wall-crawler, all 8 million of them! Haven't checked out Spider-Island yet? No problem! Marvel is pleased to announce that that it will be going back to press on a wide number of Spider-Island tie-ins including, Spider-Island: Cloak And Dagger #1 Second Printing Variant, Spider-Island: Deadly Foes #1 Second Printing Variant, & Venom #5 Second Printing Variant! And with the Amazing Spider-Man #666 Second Printing Variant on the way, there's no better time to get in on the action. So what are you
