

The latest issue of Clone Conspiracy wrapped up with The Jackal being revealed as a resurrected Ben Reilly, and based on what we see in the preview below for Amazing Spider-Man #22, we can expect to finally find out how he returned from the dead after literally crumbling into dust in Peter Parker's hands. We'll also hopefully discover what's led the Scarlet Spider down a seemingly villainous path! However, this is a status quo which may not last as there have been rumours lately that we're getting a new Scarlet Spider series once this event wraps up. Kaine was the last hero to hold that mantle, but Ben being back in the suit is something a lot of fans would like to see. Of course, you can't help but wonder whether the Marvel Universe really needs yet another Spider-Man! What do you guys think?

• Miles Warren, a.k.a. the Jackal, has been a thorn in Peter Parker's side since college. • What spurred his
