

Talking to Comic Book Resources recently, writer Brian Michael Bendis has dropped a ton of new details about what the upcoming months have in store for Earth's Mightiest Heroes, as well as teasing Marvel's big plans for the characters in 2012 to coincide with the highly anticipated movie from Joss Whedon, *The Avengers*. For the full interview, and even more fantastic preview art, be sure to click on the link below to head on over to the site. On Daredevil's Decision To Join The 'New Avengers': Daredevil doesn't set out to join the New Avengers. He get's dragged into working with them. He makes a big splash with the New Avengers during 'Fear itself.' He comes in and has a really great moment that gets everyone feeling like he should be part of the team. The wounds of Shadowland are still a little raw, but the friendships between the characters are that much
