

In a lengthy interview with IGN Comics, writer Bryan Q. Miller has talked more about the introduction of Batman and Nightwing to the Smallville universe. While the show ended its run with a disappointing finale last year (most fans were left fuming that after ten years they didn't get a proper look at Tom Welling in full costume as the Man of Steel) the series has continued in the form of a digital comic book series. The full interview and more artwork can be found by clicking on the link at the bottom of the page. On The Decision To Replace Stephanie Brown With Barbara Gordon As Nightwing: The editorial staff wanted a more "iconic character" in this case. Given the nature of our female Nightwing's use in the story, of the available replacements, I leaned toward having Babs wielding the charged-escrima. That really was the beginning and the end of it.
