

AVENGERS VS X-MEN #5 Written by MATT FRACTION Pencils by JOHN ROMITA JR Cover by JIM CHEUNG What do you guys think of the cover? While it's well known to comic fans that they don't always reflect the interior of the book, the combination of both this and the above description seems to indicate that both the Avengers and X-Men will end up facing a far bigger threat than each other. The question now of course is who the Phoenix takes as its host. Hope Summers is obviously the most likely option, but who knows? Perhaps we'll see the return of Jean Grey... Sound off with your thoughts in the usual place.
