

If you didn't pick up Captain Marvel #1 yesterday, then be grateful that you're getting a second chance! The first issue is absolutely fantastic and sets up Carol Danvers as a major player in the Marvel Universe going forward. While the costume was a drastic change which surprised fans when it was first unveiled, it really does look incredible (you'd be a fool not to want to see it on the big screen). Below is the press release from Marvel announcing their plans for a second printing after the first sold out. It's official, fans can't get enough Captain Marvel – so much so that both Captain Marvel #1 AND Avenging Spider-Man #9 have sold out! This August, get your second chance to experience Carol Danvers' marvelous new adventures in Captain Marvel #1 Second Printing Variant, where Carol begins her life as the new Captain Marvel! But that's not all, as she
