

"The mini series takes place between the two 'Kick-Ass' volumes, and the supervillain story really picks up in 'Kick-Ass 2,'" writer Mark Millar told Comic Book Resources in a recent interview in which he unveiled the Phil Noto variant cover above. "This is something I wanted to explore, but it was never going to get done justice in a book titled 'Kick-Ass.' I really wanted to play around with Mindy as a character. Put her in a school, and she's automatically the class freak. She's totally cool as Hit-Girl, but then when she walks into school, she doesn't know the new band that all the kids are into. She's never watched 'Glee.' She doesn't give a shit about 'Glee.'" "So here we get the Red Mist where he was at the end of the first book or where people saw him at the end of the first movie," adds Millar. "He's dedicated
