

Daniel Way and Steve Dillon's "Lightening" teaser from last week caused many to guess (correctly) that the duo would be taking on a new Marvel NOW! team of Thunderbolts. Newsarama can confirm that this is indeed the case, with the first issue launching in December.

As you can see the team consists of Red Hulk, Punisher, Elektra, Venom, and Deadpool. Quite a lineup eh? Apparently Red Hulk - formerly General Ross - will gather the team together. For more on what to expect, click the link below to hear from series editor Jordan D. White.
