

“In this pic Miles looks older, because the first idea was to have the new hero the same age of Peter Parker, but then we changed our mind, so this could be his older brother! What a pity—he was hot I think. Nice coat [by the way], don't you think?” “At one point I decided to give Miles a dog; please don't ask—there was no reason to do it but I just liked the idea. Jokes aside I was trying to figure his personality out.” ““Here Miles was 12-14 years old; still his age wasn't sure but I was trying to find the right body and face proportions. I was studying the haircuts too.”
