

So the most obvious guess turned out to be the right one. But, those who thought that 'Savage' teaser might mean something to do with The Savage Land were also correct, as the story will be set there, and feature Shanna the She-Devil as a supporting character. Cho spoke to Marvel about his plans for the series, which he first conceived as "a cool Indiana Jones/Cthulhu type story". He says we will definitely see a more "bloody and savage" Wolverine, but that there will also be some humor there too.. "...The story takes place in the forbidden area of the Savage Land where an evil ancient god slumbers. Wolverine and others accidentally unleash it, while trying to get back home. ...I come from a humor background. I did Liberty Meadows daily newspaper comic strip for five years before I was recruited by Marvel. So you'll see lot of action and humor in this story.
