

If you were wondering which of today's new comic releases pick up this one has to make the list. Issue #44 of Astonishing X-Men begins a new storyline which is being hailed as "the biggest, most exciting X-Men story in years". We'll see about that, but that cover image immediately grabs my attention anyway. Here is the preview.. GREG PAK (WORLD WAR HULK) and MIKE MCKONE (AMAZING SPIDER-MAN) are here to put the ASTONISHING back in the X-Men. Storm needs Cyclops' help with a special mission, but it ends up being much more than they bargained for. Oh, and they kiss. WHAT!?!? The biggest, most exciting X-Men story in years starts here!
