

Talking to Comic Book Resources, writer Dan Slott has let slip plenty of intriguing new details and hints about what we can expect to see in upcoming installments of the "Spider-Island" arc, as well as explaining a few of the recent developments which have left Spidey fans scratching their heads - how does the Jackal still know that Peter Parker is the wall crawling superhero? Find out here! And remember, there's a lot more to be found over at the site, so be sure to click on the link below to read the interview in full. On The Reason Why MJ Doesn't Yet Have Spider Powers Like Everyone Else: Awww, poor Mary Jane! It's kind of a bummer, isn't it? Back in the mid-80s, on the cover to "Amazing Spider-Man Annual" #19, we saw a cover where MJ's ripping off a shirt and wearing a Spider-Man costume underneath. But it's all just a
