

In a lengthy video interview with Eurogamer - which you can watch in its entirety below - artist Dave Gibbons was asked to share his thoughts on DC's Before Watchmen prequels. Also talking about his role in the Zack Snyder helmed big screen adaptation, Gibbons (who is currently working with Mark Millar on The Secret Service) dismissed that and just about every other non-Alan Moore/Dave Gibbons related piece of Watchmen media. "It was a little bit out of my control, but they actually paid me quite a lot of money to be a consultant on it. I looked at two of the cut scenes and drew over a bit of artwork to show how I would draw it. That's what they paid me... well, I'd be embarrassed to tell you how many thousand dollars for. But I was a distant consultant." "I didn't have a lot of input in it. To me
