

Ever wonder how comics are actually produced? Well, thanks to DC we have an inside look at this process as they reveal the script and the process of adapting script pages [pgs 9-12] into visual mediums. **ANIMAL MAN** monthly series, September 2011 Talent: Jeff Lemire, writer Travel Foreman, artist The high concept: Family man or superman? With the power to absorb the traits of any animal Buddy Baker has made a career as a part-time superhero. But when his young daughter begins to develop incredibly dangerous powers of her own, the Bakers will have to give up their quiet suburban life and go on the run across America. Overview: Buddy Baker's superhero career is a part-time concern at best. And aside from flirting with an acting career in arthouse indie films, Buddy seems to be doing little to pull in a steady income, putting undo stress on his already tumultuous marriage. To make matters worse, Buddy and
