

Many thanks to Ain't It Cool News for the following preview of Stormwatch #1, along with comments from Paul Cornell. I've included only a couple of excerpts below, so be sure to click on the link at the bottom of the article to head on over to the site where you can read much, much more. Do you plan on buying this comic book when it goes on sale tomorrow? Which other "New 53" issues will you be picking up? Be sure to share your thoughts in the usual place! "New readers start here. There's lots of fun things I could tease you with, but as to 'need': nothing at all. We start with Adam, who's meant to be the leader, but whose brain is scrambled, and whose orders are starting to sound increasingly random. He's sent his people out on two different missions already when a third pops up, and it
