

Can you guess which of the relaunched titles these quotes belong to? Well, DC's 'The Source' Blog are promising to reveal the relevant titles daily, so click on the link below to keep an eye on them and see if you were right! "If you're not moving, you're not living." "If we stop looking to the present and the past, and instead we look to the future...if we ask ourselves what can be—what it will be tomorrow... then we're asking the right question. Because to hope, to dream, to predict is to shape the city yourself, rather than to be shaped by it." "Maybe this is all connected to that guy in Metropolis." "You think you and your 'army' stand a chance against Superman and a half dozen Green Lanterns and Wonder Woman?" "They ended the revolution and freed our country. Then they disappeared." "Do we look like 'super-heroes'? We're the professionals." "He's the worst kind of killer."
