

They thought he was just an experiment – and a failed one at that! Grown from a combination of Kryptonian and human DNA, the Clone was no more than a set of data to the scientists of Project N.O.W.H.E.R.E. But when the scope of his stunning powers was revealed, he became a deadly weapon! Now the question is: Can a clone develop a conscience? Many thanks to Geek Tyrant for the following preview.

Battling evil with his son, Damian, at his side, Batman now realizes that the hardest part of the job may be trying to work together! As Batman and Robin try to adjust to their new partnership, a figure emerges from Bruce Wayne's past: His name is NoBody, and he's not happy that Batman Incorporated is shining a light on his own shadowy war against evil... Many thanks to Comic Book Resources for the following preview.
