

The penultimate chapter of the apocalypse is here! Captain America, Thor, and Iron Man scramble to make Earth's last stand against the relentless Serpent and his army of world-shattering avatars--all while amongst unbelievable chaos and destruction, Spider-Man makes the choice of a lifetime! Dark Asgard has risen and all of Earth's forces converge on the World Tree as the globe shudders in the shadow of FEAR ITSELF! Many thanks to Cosmic Book News for the following. The death of...Thor?! Say it ain't so! We already know he faces off against the "Worthy" possessed Hulk and Thing in the fifth issue (on sale tomorrow) but the above teaser seems to indicate that it doesn't end too well for the God of Thunder! What do you guys think? Be sure to share your thoughts in the usual place!
