

Before Watchmen: Minutemen Exclusive Preview I think this is the Before Watchmen comic I'm looking forward to the most. While the rest of the prequels will deal with the origins of character we already know quite a bit about, Cooke will take us back to the '30s and focus on some interesting characters Alan Moore only briefly touched on in his original series. Minutemen #1 goes on sale tomorrow, and you can read what Cooke has to say about it by heading on over to USA Today.
