

Getting a bit of an Emma Frost vibe from this one. Although those ears look a bit silly let's face it. Hopefully she will be a good enough character to overcome that. The above image is the cover for Batman: The Dark Knight #3 And here is a look at another new villain who will be introduced in Detective Comics #3, The Dollmaker.. To see some more new villains and allies for Batman and the various characters and comics associated with him in the DCnU click the link back to DCU Blog below. By TwitterButtons.com
