

Marvel is proud to present your first look at Age of Apocalypse #1, from the creative team of Dave Lapham and Roberto De La Torre. Spinning out of the critically acclaimed Uncanny X-Force, the Amazing X-Men and the human resistance must fight tooth and nail to end the tyranny that has left their world ravaged! Continuing Apocalypse's war on humanity, Weapon X leads the genocide that rains down upon this dimension, eliminating any who stand in his way. "This new Age of Apocalypse book does the impossible – it revolutionizes an old concept without a reboot," explains Senior Editor Nick Lowe. "If you've been reading Uncanny X-Force, you know where this is coming from and you're already in. If you're an Age of Apocalypse junkie, this builds on the alternate universe's mythology in fascinating and troubling ways. And if you aren't either and just want a ground-breaking, easy-entry book that will
