

Thanks to IGN Comics, we have the full solicitations for all Avengers books coming out next March. The month will see the conclusion of the ongoing Norman Osborn centric storylines currently running in the two core books as well as the launch of Avengers Assemble and the beginning of the build-up to 12-part event, Avengers Vs. X-Men. Check them all out below and be sure to click on the link at the bottom of the page to head on over to the site for even more.
