

The third image from the Marvel NOW! relaunch (the other two being a promo drawn by Joe Quesada and John Cassaday's Uncanny Avengers cover) reveals even more new costume designs. It's worth noting that these may not be the final designs as Spider-Man is wearing his regular suit here, Captain America looks totally different and Thor has a cape - all different to the piece by Quesada. Punisher War Zone will see the Avengers decide to take down Frank Castle (The Punisher) once and for all. Many thanks to Comic Book Resources for the cover and comments from Marvel Editor-in-Chief Axel Alonso. When [Editor] Steve [Wacker] tapped Greg as a writer, my one note was that they continue to maintain a distance from "Punisher MAX." "Punisher MAX" exists in a world that is devoid of superheroes so "Punisher" needs to be firmly planted in the Marvel U. Greg accepted that out the
