

Thanks to iFanboy, we have a first look at the new Marvel NOW! Captain America series from the creative team of writer Rick Remender (Uncanny X-Force) and artist John Romita Jr. (Kick-Ass). Below is the cover and solicitation details for the first issue, as well as excerpts from an interview with Remender discussing his plans for the series (the full version of which can be found by clicking on the link at the bottom of the page). CAPTAIN AMERICA #1 Written by RICK REMENDER Pencils & Cover by JOHN ROMITA JR The Saga of Dimension Z begins here! The all-new, high-adventure, mind-melting, tough-as-nails, sci-fi, pulp-fantasy era of Captain America is GO! You'll need a neck brace for this boss ride, true believer! Who is the Green Skull and why does he want to transform all of humanity into plants? What is the secret behind the unmanned rocket train running miles beneath New York? How will Captain America's
