

Marvel senior vice president of publishing Tom Brevoort spoke to Newsarama about the new series from Rick Remender.. "There are characters who are huge characters, who have been around for decades, and are beloved, that you really haven't seen interact in a meaningful way with one another. This is a place where a lot of that will get to play out. There are not a lot of stories where Captain America and Havok interact in a meaningful way. So Uncanny Avengers will be a place where that sort of thing can happen." Uncanny Avengers #1 will hit shelves this October.
