

It seems like I've been hearing people make fun of the villains Flash runs into on a regular basis, since I was a child. Evidently, DC felt they were in a perfect position to do something about that with their DC New 52. The creative team behind the current Flash relaunch, Francis Manapul and Brian Buccellato recently talked to NEWSaRAMA about the direction they're taking the title and the character. In addition to giving the "Speed Force" a slight revamp, they're also making some adjustments to his well known "Rogues." What follows are some interesting tidbits they had to say concerning Captain Cold, Gorilla Grodd and Turbine. Brian Buccellato on Captain Cold... Captain Cold is not a pushover. And I think Flash is in for a little bit of a rude awakening. He's not your daddy's Captain Cold. Francis Manapul on Gorilla Grodd and Turbine... I'll be honest, with Gorilla Grodd, we're changing quite a
