

Monday's All-New X-Men #1 teaser featured Beast seemingly undergoing yet another mutation (if you missed it, you can find it by clicking [HERE](#)) and Tuesday's saw him and a few of his fellow team-mates reflecting on the events of Avengers Vs. X-Men (find it by clicking [HERE](#)). Yesterday saw the release of a third teaser that featured Iceman complaining to Storm and Kitty Pryde (find it by clicking [HERE](#)), while the latest sees a clearly angry Storm doing the same! While Marvel NOW! has so far seemed to be a fresh start for the X-Men, things clearly aren't going well for them - could the fight she's talking about have something to do with Cyclops?! Many thanks to iFanboy for the excerpt. Page 15: 5- Ororo is angry and the sky behind her is dark purple wind and lightening. The wind is insane. ORORO I KNOW!! I know, Kitty. But a fight like this will end
