

As part of their series of interview with "The New 52" creative teams, IGN Comics had the chance to catch up with Geoff Johns about his work on Green Lantern, one of DC's flagship titles. Below are a few excerpts from their chat, but be sure to head on over to the site by clicking the link below to read the interview in full, and click [HERE](#) to check out my review of Green Lantern #1. On The Decision To Make Sinestro A Member Of The Green Lantern Corps: Actually this was always the long-term plan. If you look back, I forget which issue it is, but I did a little bit of a flash forward and showed some events in the future. One of them is Sinestro with the ring. It's actually in the book. It was one of the earlier issues where I planted it. It was really subtle so
