

In Green Lantern #0, a brand new Green Lantern ('Baz') will be introduced to the DC Universe before "Rise of The Third Army" kicks off in Green Lantern #13 and crosses over into Green Lantern Corps, Green Lantern: New Guardians and Red Lanterns. Following the shocking events of Green Lantern Annual #1 - an issue which seemingly featured the death of Hal Jordan and Sinestro as well as a fair few other surprising revelations - The Source caught up with writer Geoff Johns to talk about the mysterious First Lantern. "Who the First Lantern is and what his role will be in the upcoming Green Lantern universe will come into play very, very quickly," teased the writer. "The being inside has been imprisoned there for a long, long time. The Guardians consider him their greatest threat, but also their greatest source of power. Whether he's friend or foe will be
