

This is quite a collection of covers we have for you here. The first is J. Scott Campbell's interlocking variant for All-New X-Men #1 and Uncanny Avengers #1, while the second is a pencilled version of those two AND Avengers #1. Meanwhile, we also have a rather stunning Adi Granov variant featuring Colossus (in another Marvel NOW! image which features him without his Juggernaut powers) for Cable and X-Force #1. The final cover comes via Comic Book Resources and sees a battle weary Cable on the cover of Kieron Gillen's Avengers Vs. X-Men epilogue series, AvX: Consequences #5 by Jorge Molina.
