

Brian Michael Bendis has dominated the Avengers books ever since he "Disassembled" the team in 2004. As this era of the Marvel Universe wraps up with the conclusion of Avengers Vs. X-Men this Fall, the Marvel NOW! relaunch brings with it new titles, looks and creative teams. That includes Jonathan Hickman (Secret Warriors, Fantastic Four) taking over two of the core Avengers books; The Avengers and New Avengers. We still know very little about these two titles, but Bleeding Cool have unearthed an interlocking variant cover by J. Scott Campbell for the first issues of All-New X-Men, Uncanny Avengers and Avengers. As you can see, it appears as if the core team will consist of Spider-Man, Black Widow, Hawkeye, Hulk and Iron Man. What do you think of the team? It's a new day and a new beginning for the Earth's Mightiest Heroes, with a brand new team that's bigger and
