

Thor was retitled Journey Into Mystery when Matt Fraction launched The Mighty Thor and Kieron Gillen took over the series making Kid-Loki the lead character. Since then, it has received almost unanimous praise from fans and critics alike, so the following will likely come as either very bad or very good news depending on your own enjoyment of it so far. As part of the Marvel NOW! relaunch, both Gillen and Loki will no longer be a part of the series as Kathryn Immonen and Valerio Schiti take over with a new lead character in the form of Sif. The cover and comments from the writer can be found below. Be sure to sound off with your thoughts in the usual place. "We talked at length as far as what her story could be, and it came down to a single question: What does she want? For Sif, what she wants above
